

6/21/2012

Wind turbine data is provided by the **Federal Aviation Administration**. Data in .shp file format will no longer be provided at this site - please see download instructions below. The Iowa Department of Transportation assumes no responsibility in the accuracy of this data.

Turbine Data - Data Download Instructions

1. Go to <https://oeaaa.faa.gov/oeaaa/external/public/publicAction.jsp?action=showCaseDownloadForm>
2. In the "Download Case Information For" area, select "Off Airport Cases", select "WTE" for the region, and select "Year".
3. Click "Download" and "Save". Save the .csv file to your working folder.
4. Search or edit the .csv file for Iowa data (Sort on field STRUCTURE STATE).
